INTRODUCING SHERPA, AN EASY WAY TO CHECK ENTRY REQUIREMENTS GLOBALLY

- British Airways has introduced a co-branded version of the Sherpa tool, which enables our customers to find latest travel and health restrictions for their journey

- Customers can use it for direct and indirect routes for all countries globally

- The tool allows customers to easily search, filter and understand entry requirements for their journey and includes a Travel Restriction Map for planning a trip

- All entry requirements are subject to change and customers should check these right up to their date of travel

- Click here to access the Sherpa tool.
